

Grand Rising
Beautiful
Golden
Source
Of love
Of peace
And knowing

Today
I am
An observing
Source power
Deeply
Anchored
In harmonic zero point

Embraced
And carried
Within my
Own
Peaceful
Void
Reflecting only love

With a smile
I wave
When passing
Trickster
Energies
Bounces
Of my field

So today
As all days
I observe
I detach
And collapse
All passing
Illusions

So every
Moment
Unfolding
On
My screen
Reflects
Only the peaceful me

All that I am
I thank you
All that I am
I love you
All that I am
Forever
Detach and free
