

In my
nothingness
I have fun
when the
dreammachine
with ID entities
try to catch
the uncatchable me

In my
nothingness
I laugh
when the
dreammachine
with fear stories
try to catch
the uncatchable me

In my
nothingness
is No-Thing
but peace
knowing
No-Thing
nothing to work with
for the dream machine

In my
nothingness
I'm detached
for all I need
is here
right now
Abundantly and free
from the dream machine
